the response to the letter re missing parts was received by the PTO on 12/20/2002 10:10 PM (Eastern Standard Time) as shown by the Auto-Reply Transmission from TC2600. Applicant also submitted a Monthly Statement of Deposit Account showing that the charges were made to the Deposit Account for a five month extension of time (\$1960), for the CPA basic filing fee (\$740), and for the surcharge (\$130).

Since the Response to Notice to File Missing Parts did not reach the Examiner's file of this case, Applicant is concerned that the enclosed AMENDMENT AND RESPONSE sent by facsimile at the same time may be lost.

Please advise me at telephone 319-369-3661 if there are any further steps that I should take to assure consideration of the present application on the merits.

Respectfully submitted
